

buy a house every few weeks should he so desire. This is the power of  
.recycling your rental income

This shows that anybody can get wealthy through property over time and is  
.part of the reason why the rich often get richer, while the poor get poorer

You may not want to reinvest 100 per cent of your rental income, that ' s  
ok, of course, but make sure you do have a set amount that you put aside  
each month ready for reinvesting. Also, never put aside what's left at the  
end of the month to invest. Put that money aside before you pay a single  
.other bill

## **Learn to network**

Expensive advertising can be replaced with effective networking. The  
property business is actually a people business and the better your people  
.skills, the bigger your bank balance will become

The best people to network with in this business are landlords, estate agents  
and deal sourcers. On top of this you will also need a power team, or be  
.able to plug into somebody else's

### **Landlords**

Landlords are likely to come across deals that may not be suitable for  
themselves, but perfect for you. For example, a landlord friend may be  
looking for 4-bed HMOs in Birmingham but only be interested in anything  
that was BMV. They may come across a perfect HMO that was in excellent  
condition for £ 100,000 that would generate 25 per cent ROI. However,  
because it ' s not BMV they aren't interested. If you had informed them of  
your criteria and they knew it was perfect for you, they would probably  
.pass it on

This is just one example, but there are hundreds of possible cases like this.  
Maybe they are a serial property hunter but don't really have the funds to
