

in our power to help you, but we can't fight the battle for you. You're going to be the one in the store or on the website, making the final decision to buy now or forever hold your peace. And we know you are more than capable. Be encouraged, you don't have to get it right every time, your path doesn't have to look like anyone else's, and any step in the right direction IS A STEP IN THE RIGHT DIRECTION!

So, if you're ready to start this journey of shedding the consumer identity the world has given you, bucking the trend of sedative consumption, and finally feeling good about your finances, then let's go. You're about to learn new things about an old subject that are going to change the way you shop, transform the way you spend, and make you a pro at saving money!

Forget what you thought you knew about spending and prepare to buy what you love without going broke.

Lightning Round

Have you ever tied your spending to your identity? Do you think it's held you back from improving the way you spend?

Action Step
