

Acknowledgments

I would like to thank:

Edward Shaw, Maria Shaw, Ricardo Rybak, and Tati Rybak, for helping me figure out how to retire at age 35.

Antonia Anderson, Pat Bell, Robin Bell, Joe Drescher, and Karen Drescher, for encouraging me to write about it.

Cliff Naughton, Jerry Bowles, Eric Ehrmann, and others, unfortunately too numerous to mention, for criticizing drafts of this book.

Eileen Fallon, of Barbara Lowenstein Associates, and Peter Guzzardi, of Bantam Books, for their conviction that this material would interest others.

Robin Bell, for suggesting the title.
