Future Goals

If we were to get married, who would run the home?

Who would handle the day-to-day financial tasks—i.e., keeping track of accounts, paying bills, filing taxes?

Who would handle the longer-term responsibilities of investing money, acquiring assets and managing wealth?

Would our financial roles change over time?

Would we rely on two incomes or one?

Do you want to have children? How many?

Who would teach our children about money?

Do you want to own a home?

How about a second home?

Do you want to own your own business?

Where do you see us in five years? What do our finances, family and lifestyle look like?

How about in 10 years?

Twenty?

Thirty?
