

# DISCLAIMER

This book and its contents, information, figures, statistics and financial data are being provided “as is” by the Publisher and the Author. This book’s information is solely intended for educational and illustrative purposes. Without the publisher’s and author’s written consent, no portion of this book may be duplicated or reproduced in any way, whether it be electronically or mechanically, including by photocopying, recording, or information storing and retrieval systems. While we make every effort to ensure that the information is accurate and up to date, we make no guarantees or warranties, either express or implied, as to the truthfulness, accuracy, suitability, or availability of the content, products, services, or associated visual contained in this Book for any purpose.

The Author and Publisher have made every effort to ensure the accuracy and reliability of the information presented in this Book. However, errors and omissions may occur, and the authors and publishers are not liable for any damages or consequences arising from the use of the information provided. This Book may contain logos, materials, or content that are the property of third parties. None of these items are used with the intent to assert copyright ownership.

All of these materials or references were obtained from publicly accessible websites or other sources and were used just to further education and are provided for the convenience of readers and do not imply endorsement or responsibility for their content. In no event shall the authors, publishers, or any associated parties be liable for any damages, losses, or injuries arising out of the use of this book or the information contained within. This includes but is not limited to, direct, indirect, incidental, punitive, and consequential damages. Ownership and credit for the original works remain with their respective owners. By reading this book, the reader acknowledges and agrees to the terms of this general disclaimer. If the reader does not agree with these terms, they should not proceed to read or use the content provided in this book.
