In my 22 years of consulting, I had the privilege of meeting many talented people across multiple geographies which helped me shape up this book.

I am deeply grateful to my seniors, colleagues and juniors at Infosys, who opened the doors of consulting to me. Some of the prominent people who shaped my career at Infosys at that time were Mr. N. Narayan Murthy, Mr. Nandan Nilekani, Mr. Ravi Kumar S, Mr. Narsimha Rao Mannepalli, Mr. Gopikrishnan Konnath, Mr. Nilanjan Chatterjee, Mr. Naren Koduvattat, Mr. Sudhir Albuquerque, Mr. Raghupati Pai and Mr. Rajesh Dubey. Oracle Consulting had a deep learning curve, and my heart goes out to Mr. Gopal Chawla, Mr. Swapnil Dighe and Mr. Srinivasa Doppalapudi for always being there for me. KPMG gave me the exposure to set up a consulting business outside the country and my heartfelt gratitude goes out to Mr. Richard Rekhy, Mr. Akhilesh Tuteja, Mr. Ambarish Dasgupta, Mr. Gopal Chawla, Mr. Samik Nandi and Mr. Srinivasa Doppalapudi for having the trust in me.

Deloitte has been a very fast paced experience across multiple industries, and I am indebted to Mr. Romal Shetty, Mr. Nitin Kini, Mr. Joydeep Ghosh, Mr. Kaushik Dasgupta, Mr. Vinay Prabhakar, and Mr. Saurabh Kumar for making it a very fulfilling experience.

Special thanks to Mr. John Granger, Ms. Usha Srikanth and Mr. Srivats Kamisetty Prabhakaran for my ongoing journey at IBM Consulting. My heartfelt thank you to Mr. Eric Jones Sr, Mr. Lalith De Silva, Mr. Nikhil Oswal (unfortunately he is no more) and Ms. Suseela Krishnan at International Supply Chain Education Alliance (ISCEA) for giving me the freedom to run the Alliance my way. Heartfelt gratitude to Mr. A Vellayan, Advisor, Murugappa Group, Prof. A H Kalro, Prof Debasish Chatterjee, Prof Ram Baliga, Prof Unnikrishnan Nair, Prof A F Mathew, Prof Uday Damodaran and Prof Saji Gopinath for an all rounded experience both as a student and a member of Board of Governors at Indian Institute of Management, Kozhikode.

Finally, no amount of thanks is ever enough for my father (who is not alive to see this book) and my mother (who always wanted to see me reach greater heights).
