

Step 3

Customer Analysis

Assess the client's customer base, preferences, and behaviours:

Customer segments and demographics

Customer needs, preferences, and pain points

Customer acquisition and retention strategies

Customer experience and touchpoints

Customer loyalty and advocacy

Step 4

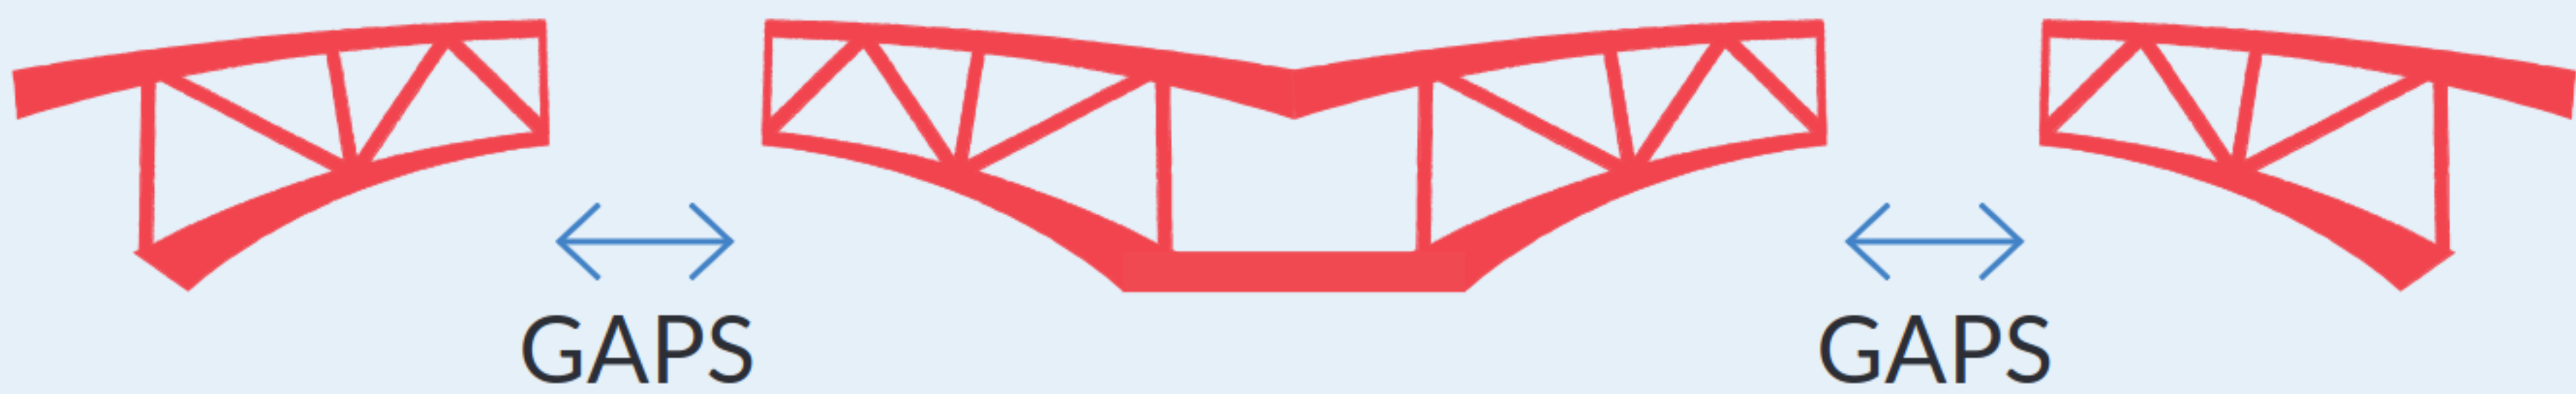

Identify Gaps and Opportunities

Based on the analyses, identify gaps between the client's current state and desired future state and potential opportunities for improvement or growth.

Client's Current State

Desired Future State

Potential Opportunities for Growth
