

Economies, markets, and careers often follow a similar path—growth amid loss.

Here's how the U.S. economy performed over the last 170 years:

But do you know what happened during this period? Where do we begin

...

- 1.3 million Americans died while fighting nine major wars.
- Roughly 99.9% of all companies that were created went out of business.
- Four U.S. presidents were assassinated.
- 675,000 Americans died in a single year from a flu pandemic.
- 30 separate natural disasters killed at least 400 Americans each.
