

Millionaires Do

- **Work hard.** Nearly all—99% of millionaires—say their friends and family members would describe them as hard workers.
- **Believe reaching millionaire status is more about how hard you work than how much you make.** 93% of millionaires say they got there by hard work rather than big salaries.
- **Enjoy their jobs.** 96% of millionaires enjoyed what they did for a career, and 64% say they “loved” their jobs.
- **Exercise regularly.** 80% of millionaires exercise three or more times a week, compared to 55% of the general population.
- **Wake up early.** 70% of millionaires are considered early risers, compared to 44% of the general population.
