

CONSISTENT INVESTING

Compound interest works, but it won't make you a millionaire overnight. It took years—decades—of hard work, sacrifice, and consistent investing before the average millionaire hit the mark. But that's okay with them; they have time. So, by this point, you're probably wondering what they're investing in—and how you can do the same. If millionaires avoid risky investments, as we've seen at length, then what are the safe, proven financial vehicles they use to build wealth? Believe it or not, it all comes down to the 401(k) or the company plan.
