

Resolving Student Loan Disputes

Sometimes errors occur in student loan record keeping. If you believe there's an error in your student loan—an incorrect balance, payments not credited, incorrect interest rate, incorrect personal information, or other error—contact the agency that holds your loan. If you can't resolve the issue on your own, contact the Federal Student Aid (FSA) Ombudsman of the Department of Education by calling 1-877-557-2575 or writing to U.S. Department of Education, FSA Ombudsman, 830 First Street NE, Fourth Floor, Washington, DC 20202-5144.
