

CHAPTER 20

Living in a Postrecession World

Now that the “Great Recession” is behind us, should we return to business as usual from the prerecession days or should we allow the recession experience to influence our financial habits in the future? There are some things you need to consider when managing your finances in a postrecession world. Let’s use the “wake up call” many of us received through recent hard times to forge a new way of thinking about our relationship with money.
