

SHOPPING & BARGAIN HUNTING

Who doesn't love a good deal? With so many ways to shop, it's no wonder many people find it hard to resist. What if you could learn the best ways to shop, without spending more than you needed, and only on those things that would truly be a good investment? This next chapter lays out all of the ins and outs of bargain hunting, bartering, and (sometimes) even walking away from that fabulous deal.
