

CAREER & MONEY- MAKING IDEAS

Unless you're an heir to a large, tax-free fortune, we know that you've probably had to work at least once in your lifetime. First jobs, part-time gigs, and lengthy careers are all options for the path to self-reliance, and we want to help you wherever you are. This chapter is designed to inspire ideas for earning cash, recovering from unemployment, scouting out that perfect new job, and having fun (yes, fun) in the process.
