

fect for people who are constantly looking for the best deals.

Insure.com

(insure.com)—Instantly get quotes from over 200 trusted insurance companies online. When you customize your search, you are doing so anonymously, so you can get accurate quotes without divulging personal information.

Zillow

(zillow.com)—The most comprehensive and easy-to-use tracker of real estate prices. Get historical prices for a house and compare home prices around the neighborhood. A must-have resource for home owners, buyers, and sellers.

BORROWING, LENDING, AND INVESTMENTS

Interactive Advisors (previously Covestor)

(interactiveadvisors.com)—Interactive Advisors is a Web 2.0 company that rewards its best users with real money.

Folio Investing

(folioinvesting.com)—Provides knowledgeable investors a flexible way to customize their own portfolios. This is perfect for the personal finance geek who is tired of letting the Bernie Madoffs of the world mismanage their money.

LendingClub

(lendingclub.com)—As a borrower with good credit, you can borrow cash at more favorable rates than offered by banks. This is one of the most innovative ideas we've seen in a long time.

Prosper

(prosper.com)—Get lenders to invest in your loan, between \$2,000 and \$40,000. You, as a borrower, can set a fixed-interest rate you're willing to pay, and lenders will bid to win the right to service your loan. By forcing lenders to compete for your business, you will walk away a winner every time.

GREAT FOR STUDENTS

STA Travel

(statravel.com)—Largest full-service travel agency dedicated to serving students. If you're a college student looking for a break, STA Travel is your first stop for the best packages, flight deals, hotel discounts, and tips.

SimpleTuition

(simpletuition.com)—Search for, compare, and apply for student loans. Enter the amount you need, answer a few questions about where the loan will be used (location, university, year graduating, etc.), and SimpleTuition will search for and show you the best student loan offers available. A great way to navigate through the confusing student loans process.

UPromise
