

Please Send Money

and start over, it doesn't mean that your future must echo the past. By learning from your mistakes, the same mistakes will not be repeated. A clean slate can allow you to create a prosperous future if you have the right guidance.

When you have the urge to ignore the situation, remember the lessons learned in this chapter:

- Open your mail and answer your phone.
- Contact creditors before they contact you.
- Do your research before you agree to a repayment plan.
- Make all agreements in writing.
- You have rights that prohibit certain actions by collectors.
- Try to avoid the minimum payment trap.
- Gambling is not a solution, but a problem.
