

WILEY INVESTMENT CLASSICS

**"Highly amusing and also
strangely informative. . . . The ultimate
effect of this book is tonic."**

—The New York Times

A stylized, sepia-toned illustration of a jester or fool running. He is wearing a pointed hat with a bell, a ruffled collar, and a long, flowing robe. He is holding a staff or stick in his right hand and has a mischievous, wide-eyed expression on his face. The background is a light, textured beige.

A Fool and His Money
