

Work Time

Work timings are governed by Factories act for the factories. For shops and offices in each state, they are governed by respective Shops and establishment acts. As of 2023, the elements of time are defined as follows:

Working time -

It ranges between 8 - 10 hours per day, depending on the state. The working time should be less than 48 hours per week and must be less than 50 to 60 hours per week including overtime. Same way half day is defined as 4 - 5 hours in a day.

Overtime -

Overtime should be paid if an employee works for more than the defined hours. An employee can do 50 hours of overtime per quarter. The overtime should be paid at least 1.5 times wages. The rate may vary based on industry and state.

8-10 hours

48 hours
per week

Breaks

Employees must get a break of half an hour within 5 hours of work.

Weekly Off

Employees must get an off for 24 hours in a period of 7 days. The weekly off can be given on any day of the week.

In line with the acts you may define your work week.
