

3. Travel Reimbursement

The travel reimbursement is provided for the expenses incurred on work related travel. The travel reimbursement typically includes:

- a. **Transportation - Airfare, Train fare and Taxi fare**
- b. **Lodging - Hotel accommodation expense**
- c. **Other costs - Meals, Laundry, incidental expenses**

You may pay other costs on actuals (based on actual bills) or per diem (pay a fixed amount per day while on travel without bills).

4. Telephone Reimbursement

The telephone reimbursement covers the telephone or data connection bills of the employee that are being used for official purposes. As on Apr 2023, the reimbursement is tax-exempt up to INR 15000 per year.

5. Relocation expense reimbursement

In case organization asks employee to relocate, the expenses incurred by an employee towards the relocation are reimbursed by the organization. The relocation expenses include cost of travel, interim accommodation and shifting of household goods.
