

Grievance Box

If you are not receiving formal complaints (grievances), it does not necessarily mean that everything is fine.

You should look into:

The trends of these numbers will give you a sense of the dissatisfaction in the environment. To identify specific reasons, it is important to establish a listening mechanism within the organization.

Reasons for Grievances

There are six different types of VOICES which are the key reasons for grievances.

Violation

Deliberate or unintentional violation of policies, laws, or systems.

Organization Discipline

Incidents of favoritism, nepotism and mistreatment. As per a survey by Monster, 90% of surveyed respondents were mistreated. 51% were mistreated by their managers and the rest by their colleagues.

Improper wage adjustment

Anything that impacts the take home salary of an employee.
