

3. Decision

The decision is reached based on the analysis and investigation. Here are the steps.

a. Meeting

Arrange a meeting and communicate the findings of the investigation.

b. Decision

Agree on future course of action. If the grievance is not supported by data, you may agree with the complainant to close it. If grievance is genuine then agree on the action plan with specifics timelines for its implementation.

c. Document

Document the decision and communicate it formally.
