

2. Attrition analysis

Write down 5 possible reasons for attrition for an organization of your choice.

- a. Create a cause and effect diagram for attrition. You may use smart draw for preparing it (<https://cloud.smartdraw.com/?nsu=1>)
- b. Create an infographic on reasons of attrition. You may use Canva for it. (<https://www.canva.com/create/infographics/>)

3. Create a word cloud

Create a word cloud using your resume. You will know whether your resume communicates the key words strongly or not. (<https://worditout.com/word-cloud/create>)

4. Create Pivot Table

Create a pivot table using the following data. The pivot table should look like the Table 1: Headcount table.

Month	Region	Headcount
Jan	East	110
Apr	East	135
Jan	West	110
Apr	West	135
Jan	North	200
Apr	North	160
Jan	South	90
Apr	South	130
