

This book (“the Book”) is provided for general informational purposes only. The author(s) and publisher make no representations or warranties, either express or implied, with respect to the completeness, accuracy, reliability, suitability, or availability of the information contained in the Book. The information is subject to change, and it may not be up to date at the time of reading.

The content of the Book is not intended to be a substitute for legal, professional, or human resources advice. Readers are encouraged to consult with qualified legal and HR professionals to obtain advice tailored to their specific circumstances.

The author(s) and publisher are not responsible for any liability, loss, or damage caused or alleged to be caused directly or indirectly as a result of using or relying on any information presented in the Book. This includes, but is not limited to, errors or omissions in the content, financial losses, and legal disputes.

The Book may contain references to laws, regulations, and best practices related to human resources. These references are based on information available at the time of writing, and legal standards may change over time. Readers should verify the current legal requirements in their jurisdiction.

The Book may include examples and case studies, but these are provided for illustrative purposes and should not be interpreted as guarantees of specific outcomes or advice. The views and opinions expressed in the Book are those of the author(s) and do not necessarily represent the views or policies of any organization, institution, or government entity.

By reading the Book, the reader acknowledges and agrees to the terms of this disclaimer and understands that the author(s) and publisher are not responsible for any consequences resulting from the use of the information contained in the Book.

This disclaimer is subject to change without notice. It is the responsibility of the reader to review this disclaimer periodically to ensure compliance with the latest edition of the Book.
