

A complex subject like HR has been dealt with and explained in such a systematic and simple manner by Harjeet that it's bound to become a true delight for beginners as well as professionals. The end-to-end coverage of all HR cornerstones, the scientific tools, innovative concepts and live examples make it a must read for all.

Subodh Batra

Executive Director - HPCL

The book series provides excellent guidance starting from effective hiring to skills development to compensation and technology adaptation. Harjeet's fluent and engaging writing style coupled with very interesting real life situations from his extensive experience makes for highly enjoyable reading while providing comprehensive elucidation of HR concepts. I strongly recommend this series for both HR professionals as well as leaders of organizations.

Dr. Vikram Pradkar

Executive Vice President, Technical Operations

Biological E Limited

This book offers a brilliant blend of theory and real-world application, guiding readers through strategic decision-making, team dynamics, and effective leadership techniques. Engaging and actionable, it equips managers with invaluable tools to navigate complex challenges. A must-read for aspiring and seasoned HR leaders alike, fostering success in any organization.

Kshitiz Sachan

Leadership Coach, Keka

This book is really very practical and insightful.

Vinay Ranjan

Director Personnel & Industrial Relation

Coal India Limited

This book series stood out to me - it does an excellent job in laying out the proven fundamentals and practical examples using easy to read pictorial format. I recommend it for every business leader, new managers and HR leaders - a quick read with a potential to drive strategic long term value.

Sumit Dhawan

President, VMware
