

4. Equity

The employees are made literal owners of the organization. Then, the success of the organization leads to exponential growth of the net worth of the employees.

The startups that cannot afford to spend big bucks to hire quality talent use equity compensation to attract it. This creates a win-win situation for the organization and the employees.

The equity compensation is offered in three different ways:

a. ESOPs

b. Restricted Stock Unit (RSUs)

c. Employee Stock Purchase Plan (ESPP)
