

2. Define Criteria

Define criteria for utilizing the budget. It can be done in two ways.

a. Fixed Model

Fix the distribution of performance ratings and fix the increment for each rating. For example:

Increment Table

Performance Rating	Population (A)	Increment in INR (B)	Total Spend in INR (A x B)
	2	200	400
	6	100	600
	2	0	0
TOTAL			1,000
