

3. Do your customers spend most of their time on social platforms like Instagram, or do they allocate more time to traditional media such as newspapers and magazines?

Social Media

Traditional Media

VS

Marketing Budget Allocation

4. When considering your budget, is it important to focus your marketing efforts on one media channel, such as Instagram, to maximise the impact of your limited resources?

5. Check metrics to monitor the performance of your marketing efforts, including the number of clicks received, engagement on ads and marketing content, prospects generated, lead generation rate, and conversion rate, to identify which strategies are most effective for your business.

Check Matrix

- ☒ No. of Clicks
- ☒ Ad. Engagement
- ☒ Prospects Generated
- ☒ Lead Conversion Rate
