

- F** What is our core business strategy, and how will we formalize roles and responsibilities in a memorandum of understanding?
- G** How will we ensure transparency in the distribution of gains and compensation?
- H** How will we maintain clarity in compensation and profit-sharing?
- I** How will we track and manage documentation? Should we involve legal counsel for validation?
- J** What is our exit strategy to prevent confusion or disputes in case of termination?
