

2

Debt Financing – Loans from banks or lenders. No dilution, but repayment is required.

Startup

Capital (Free)

Government

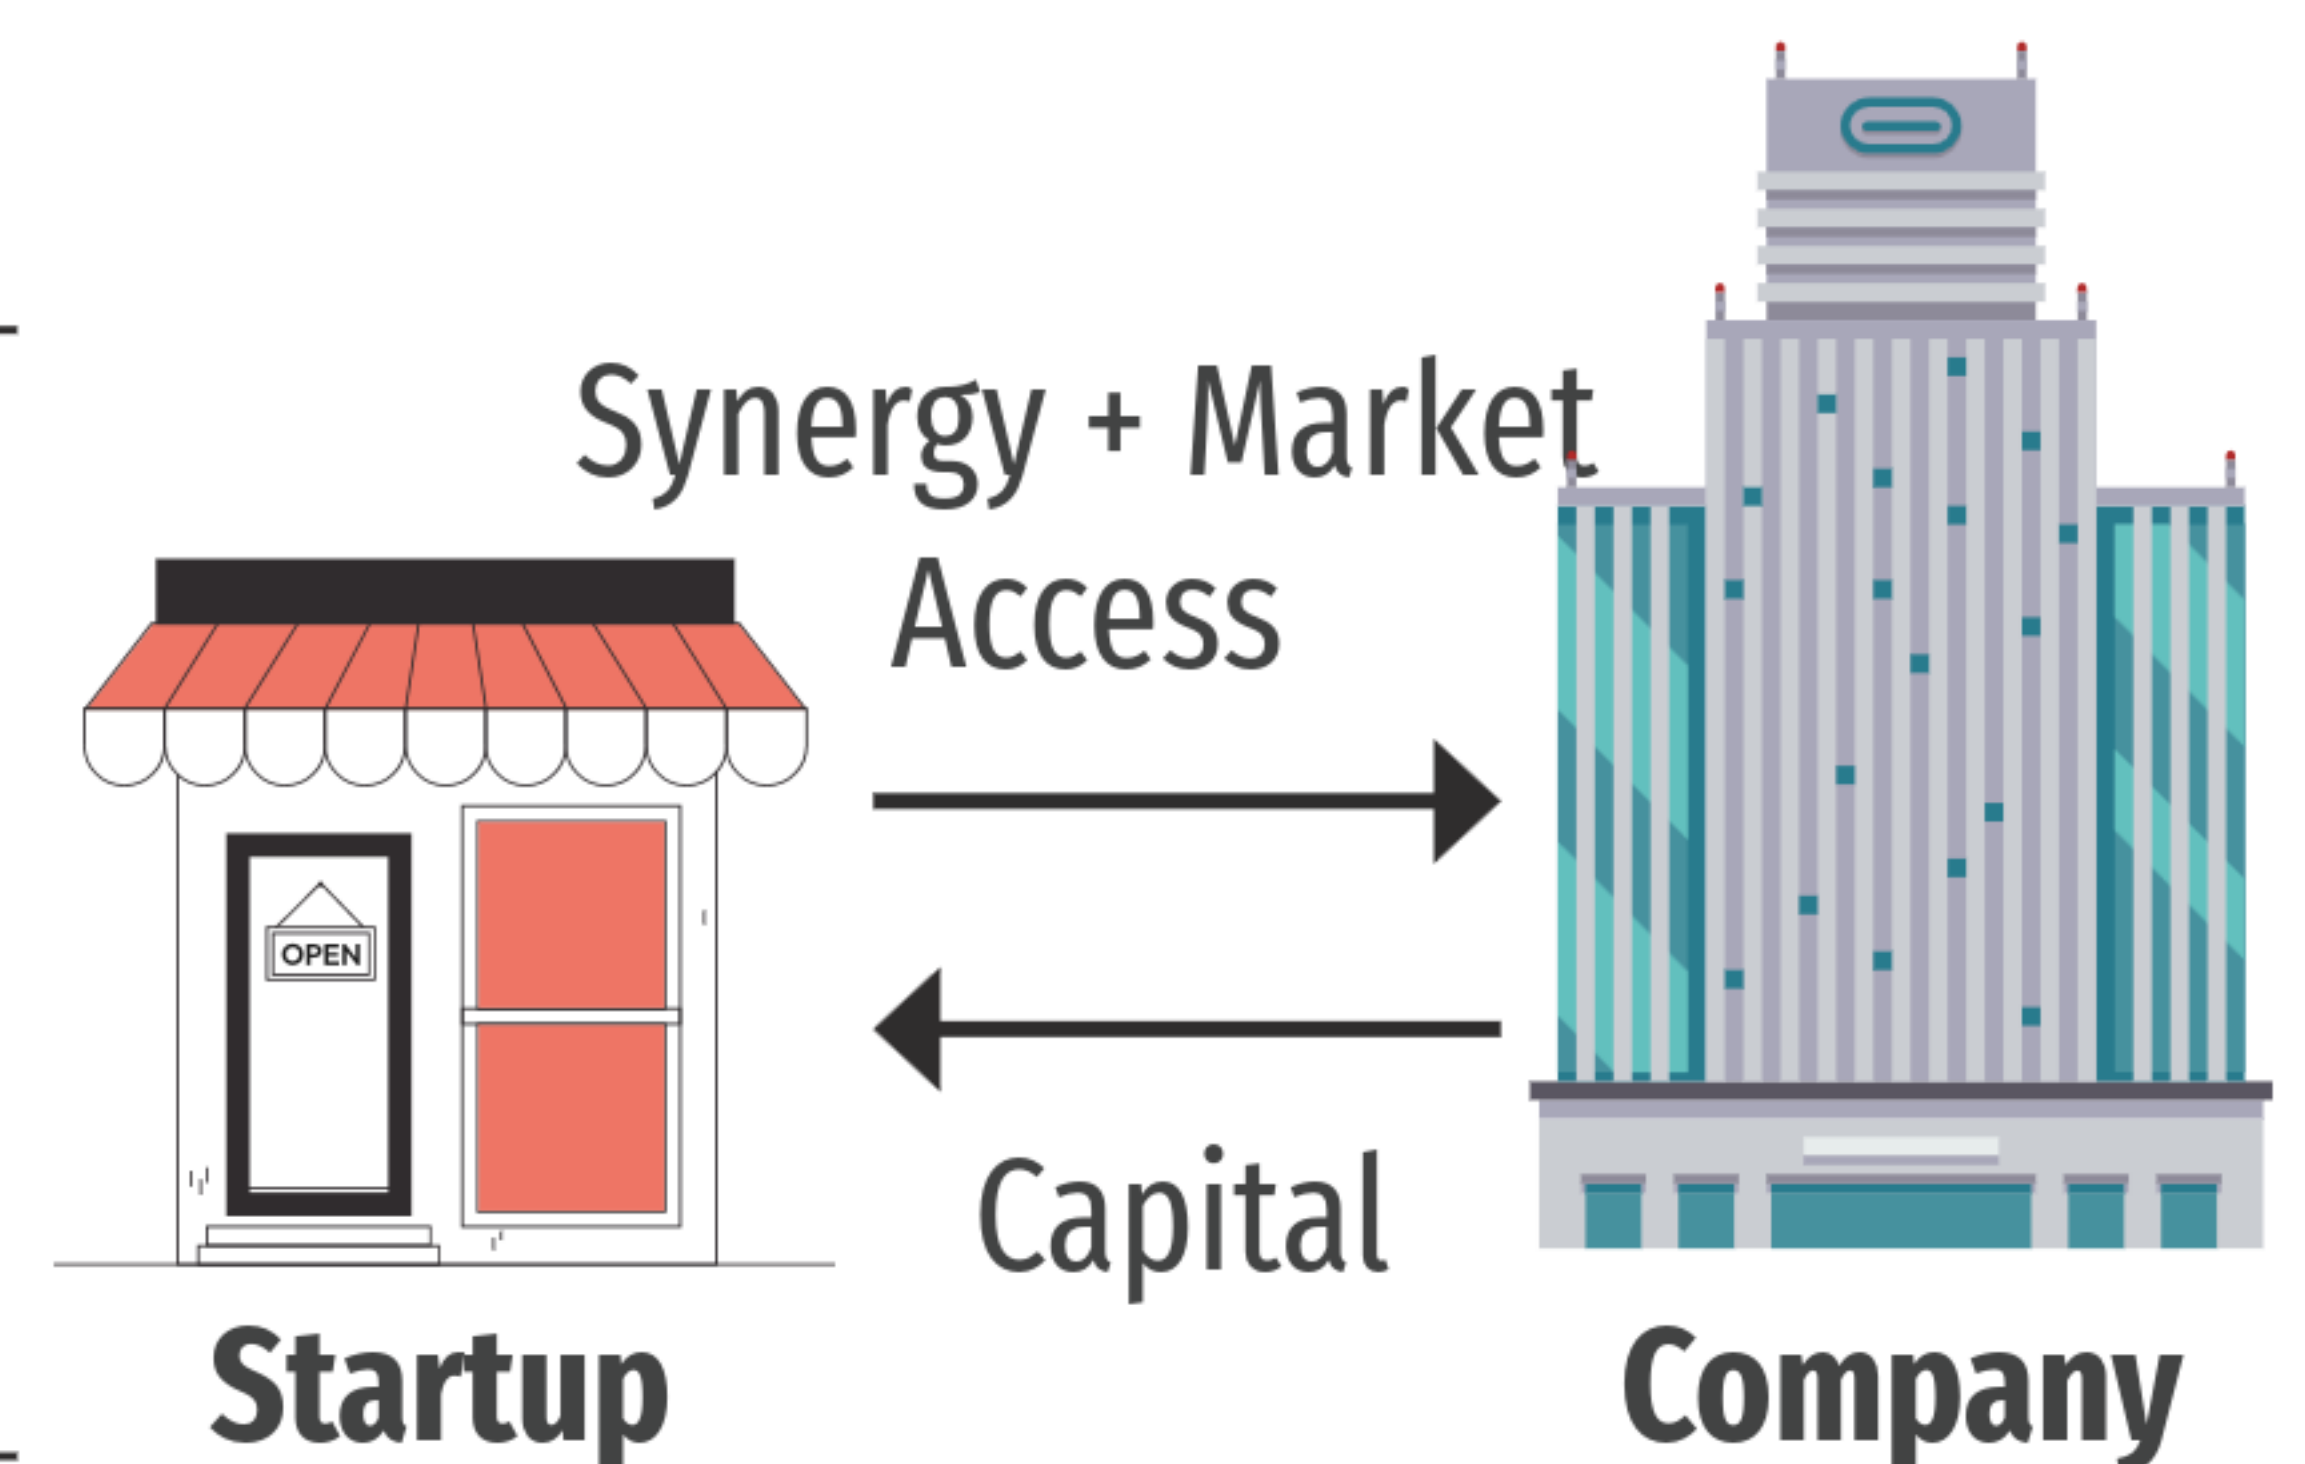

3

Government Grants & Schemes – Free money, but with paperwork and conditions.

Only Paperwork and Conditions

4

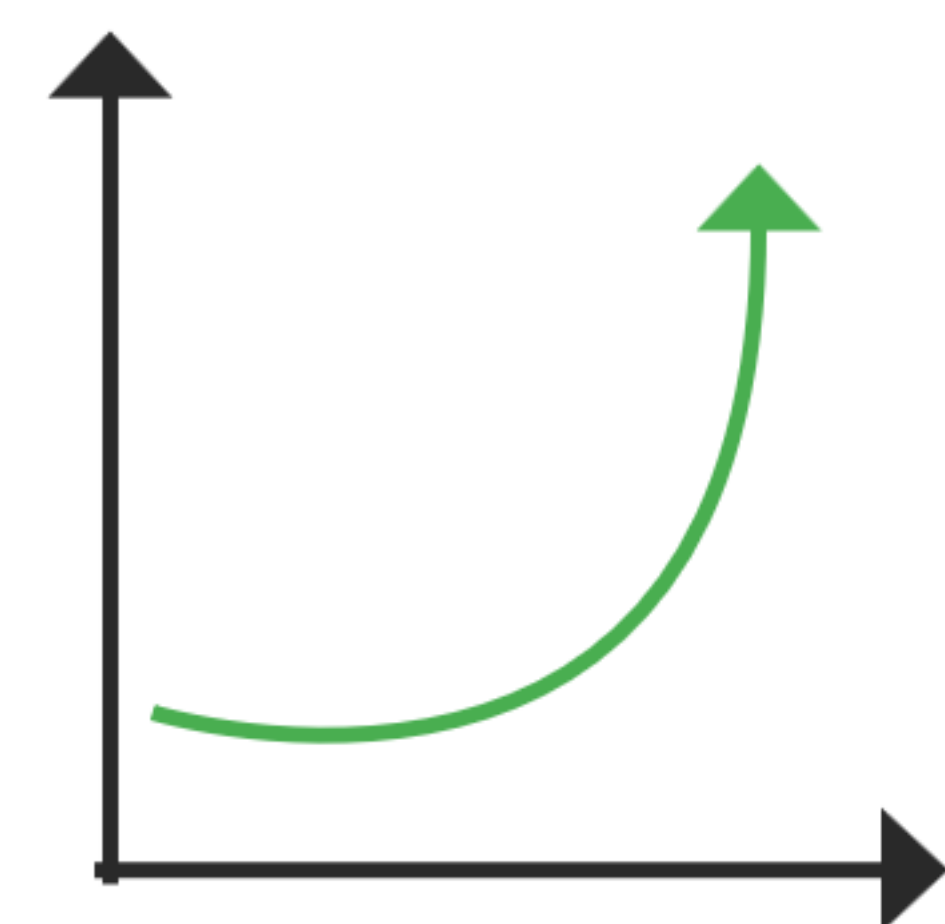

Strategic Partnerships – Bigger companies invest in startups for synergies and market access.

Why External Funding Works

1

Faster Growth – More capital means quicker expansion and market dominance.

2

Access to the Best Talent – You can afford top-tier hires.

3

Stronger Market Position – Outspend competitors, build technology, or acquire startups.
