

4. Buying a Dream Home

a. Buy vs. Rent

Ah, the dream of owning a home! It's one of life's biggest goals, isn't it? But with real estate prices soaring like never before. Buying a home requires a big financial commitment and these loans are decades long.

So, should you buy a house or simply rent one? Well, there's no one-size-fits-all answer to that. Real estate prices can vary wildly even within the same city, not to mention the personal factors that come into play.
