

- 🍊 The company's health insurance covers you only as long as you work with the company. Once you quit or get laid off, you won't be covered.
- 🍇 After retirement, you mostly will not be covered under your company's health insurance policy. As you get older personal health insurance gets costlier, so it is better to take it while you're young.
- 🍋 Your Employer has the power to change the policy or coverage at any time and you have no say in it.
- 🍏 You might not be able to get the required coverage for your family to adequately protect them.

I hope you are convinced to buy a health insurance policy ASAP! Now, let us understand how much coverage is needed and other things to keep in mind while buying a policy.
