

6. Government Schemes to invest in

To encourage people to save and invest the government has several small saving schemes! These schemes come with sovereign guarantees and even tax benefits which make them an attractive investment option. Now, there are a lot of schemes here but in the table below, I have summarised a few of them which are the most useful.

Particulars	Public Provident Fund	National Savings Certificate	Sukanya Samriddhi Yojana	Senior Citizen Savings Scheme	Mahila Samman Bachat Patra Yojana
Type of Investment	Long-Term - Interest Earning.	Medium Term - Interest Earning.	Long-Term - Interest-Earning for girl child.	Long Term - Interest-Earning retirement benefits program for elderly.	Short-term - Interest-Earning scheme for women.
