

5. Last but not least, how to select a Mutual Fund Scheme?

Now let's get into the final step i.e. selecting a mutual fund scheme. To guide you through this process, we'll be using the Association of Mutual Fund of India – AMFI's Official Website:

<https://www.amfiindia.com/research-information/other-data/mf-scheme-performance-details>

This website is the most trusted source for any information about mutual funds! It offers detailed information on every scheme listed on the exchange, making it the perfect tool to compare different options and find ones that align with your investment goals.

So, let's get started!!
