Before buying a phone, you'd likely dig into the specs, features, and maybe even some reviews. Now, imagine doing the same for your investments. That's where a Mutual Fund Fact Sheet steps in.

A Mutual Fund Fact Sheet is just like a phone's Specs & features list for your investments. It's a document packed with key information about the fund, so you can make informed decisions before putting your money in. You should review the factsheet of the funds you invest annually and quarterly if the fund manager has changed recently, to keep a check on your funds!
