

No Bankruptcy

*"There is a bankruptcy attorney in your area
ready to contact you!"*

~ tag line on bankruptcy lawyer website

There are infrequent occasions when bankruptcy may be the right choice for you. Most of the time, it is not. You would never know it though. Bankruptcy is advertised nearly as often as credit cards!

It is no wonder that so many people turn to bankruptcy. Debt is out of control and when the pressure is mounting, it can be hard to think straight. The ads are on the radio as you drive to work, the commercials are on television while you watch your favorite show in the evening, and the phone book and the internet are full of ads for lawyers who specialize in bankruptcy. Finding a lawyer to handle bankruptcy is easier than finding a hairdresser.

They make it sound like a bed of roses. If you have not filed bankruptcy, it is a good bet that you know someone who has. Talk to that someone. Did bankruptcy magically make all their problems disappear?

POP QUIZ

True or False?

1. Credit card fees have risen 160% over the last five years.
2. Credit cards are swiped 2.2 million times every hour.
