

the fees, the penalties, the interest – the rip-off money. I can show you how you can, virtually overnight, take your monthly payments (credit card bills, personal loans, etc.) and, with techniques outlined in the upcoming chapters, reduce the total by one-half or even two-thirds. We will talk about credit scores and credit reports, and how to get yours, and how to fix yours in 30 days. This is critical. Your score is how you are judged and determines the amount of interest you will be charged.

Get rid of
“bad” debt
and move
on to
“good” credit!

I will show you how to reduce the amount you owe, be it \$5K, \$10K, \$20K, or even \$30K of debt, in 30 days, or perhaps even eliminate it, just by following some simple steps. Can you imagine that? Totally eliminating your debt! You can, and the consumer lending industry does not want you to know about it! This book will show you how you can reduce the amount of your student loans and pay them off. The whole student loan industry is a scandal unto itself and the big-

gest rip-off game in town!

Free Money?

Best of all, I will turn you on to free money! There is a whole chapter on free money programs that nearly anyone can get just by making phone calls, filling out simple applications and following the requirements. You can get \$5K, \$10K, \$30K, and in some cases \$50K and more. The beauty of these programs is that they are grants and you do not have to repay them!

I will explain the difference between good credit and bad credit, and how credit can be used to create wealth. I will tell you how, no matter your current credit situation, whether you have so-so credit, bad credit, or no credit, you can improve and start with a clean slate. I will tell you how to get corporate credit of up to \$1 million, which will send you on your way to creating wealth, not debt. I will also expose the debt collection scams and how the debt collectors are trained to lie and harass. They allegedly even told one nine-year-old girl that they could take her mommy away for the rest of her life. You will learn how you
