

CHAPTER 24.5

(The sequel? Part 2? Who cares – It's more free money!)

More Free Money!

"Lack of money is no obstacle. Lack of an idea is an obstacle."

~ Ken Hakuta

I need to keep telling you about free money, but I have learned that people like shorter chapters. So I decided to pause, to give you time to catch your breath and scratch your head in amazement. I bet you've already told somebody at least one thing that you have read about in Chapter 24, Free Money. Well, there's more. This is Chapter 24 continued. The rest of the story. This is filled with more places in which you can find free money.

Other Grants

Besides the government (federal, state, county, city – check them all), there are many grant opportunities available through private foundations. Private funds and community groups often like to focus their grants on non-profit agencies (there are many grants out there for you if you are a non-profit organization!) and minorities and women.

There are business grants available through the Women's Financial Fund (<http://www.womensbusinessgrants.com/who.shtml>), and they state right on their website that since they are giving you a grant, not a loan, your repayment ability is not an issue. They won't even take a
