

not contact me again! Good bye!” If Miranda lived in Alaska, where the statute of limitations is six years, she would not admit that she owed such a debt; she would not agree to pay such a debt; and she would not agree to send the debt collector any money at all. Calm, cool, and unruffled is the tactic of a debt eliminator!

I’ve included a table below so you can find your state and determine when your old debt officially becomes a time-barred debt, and the collection folks will have to leave you alone forever!

You may be
able to totally
ELIMINATE
your debt!

In this table, the term “open accounts” includes revolving accounts, like your credit cards. This statute of limitations information is correct to the best of my knowledge as we go to print. Be sure to check with an attorney or a friend or someone else in your state who is knowledgeable in these areas, in case the number of years for expiry of your debt has changed, and for any other relevant information.
