

have the ability to sign his name, but the lender had him copy block letters to spell out his name for his signature on the contract. Truth is stranger than fiction. I hate to see people being taken advantage of, and it is now my mission and life goal to bring the truth to the light of day.

Duncan McDonald, former Citibank General Counsel, has gone on television, stating that fees have become a profit stream for the credit card companies, and that fee income has gone up much faster than interest. Fees and penalties are three and four times higher than they were even less than ten years ago. So the debt that is crushing you is a relatively new monster. In fact, McDonald has overtly implied that we've created a Frankenstein.

Shine the Light

Ed and Sue, their neighbors, and so many others have debt that feels like a ball and chain. If your money burdens keep you awake at night worrying, you are not alone. The need to ease your burden is what keeps me awake at night, fueling my desire to take on the predators. Anyone who knows the secrets, anyone who has the insider knowledge, has the obligation to share that knowledge. What is that warm, fuzzy saying? *A candle loses nothing by lighting another candle.* Once you have finished reading this book, you will be a source of light, of knowledge, of life, and be able to illuminate the lives of your friends and family with this information as well. Knowledge is power, and it is exactly the power that they don't want you to have.

They want you to be afraid. They want you to be intimidated. That's how the system works. Debt collectors are trained to harass and to lay on the scare tactics. You don't have to carry this yoke of debt forever. In fact, you can have a fresh start and be on your way to wealth by the time you finish this book. You can create a brand new credit profile. You can start from scratch and build a whole new financial personality.

You Can Take Them On

You can do it yourself. You do not have to be a legal or financial whiz at all. Just follow the steps I've laid out, and you will succeed. There are two parts to the process: 1. Get out of bad debt; and 2. use good debt to build wealth.
