

## Options to choose the conversation style

The screenshot shows the Microsoft Bing Copilot interface. At the top, there are navigation links for Microsoft Bing, SEARCH, COPILOT, and NOTEBOOK. The user's name 'Hitesh' and a 'Rewards' icon are visible. On the right, there are tabs for 'Chats' and 'Plug-ins'. Below the navigation bar, there are three example prompts: 'Summarize the main points of the latest research on AI', 'Design a logo for a solar energy provider, abstract art', and 'What's the next trend in fashion and where should I shop to find it?'. A blue arrow points from the 'COPILOT' tab to a 'Choose a conversation style' section. This section has three buttons: 'More Creative' (highlighted with a red box), 'More Balanced', and 'More Precise'. Below this is a text input field with the placeholder 'Ask me anything...' and a yellow 'I' icon. A blue arrow points from the 'More Creative' button to the input field. On the right side, there is a 'Copilot GPTs' section with a list of GPTs: Copilot, Designer, Vacation planner, Cooking assistant, and Fitness trainer. Below that is a 'Recents' section with a list of recent chats: 'Emerging Market Trends in Material Han', 'Dream11 vs My11Circle Comparison', and 'Comparison between Aber Swift 3 and'. A blue arrow points from the 'Enter the prompt here' label to the input field.
