

Confidentiality and Data Protection

Ensuring client information is safeguarded is vital, and ChatGPT includes standard clauses for data security and confidentiality.

4. Confidentiality

The Service Provider acknowledges that during the course of performing services, they may have access to confidential and proprietary information of the Client. The Service Provider agrees to maintain the confidentiality of such information and not disclose it to any third party, except as required by law.

5. Data Protection

The Service Provider shall take all necessary steps to ensure the security and confidentiality of the Client's financial and personal data. The Service Provider agrees to comply with all applicable data protection laws and regulations.

Standard clauses for data security and confidentiality

Work Standards, Liability, and Termination

These terms automatically define responsibilities, limitations, and conditions for ending the contract.

agrees to comply with all applicable data protection laws and regulations.

6. Work Standards

The Service Provider agrees to perform the services diligently, with professionalism, and in accordance with the highest industry standards. The Service Provider shall ensure that all deliverables are accurate and submitted in a timely manner.

7. Limitation of Liability

The Service Provider's liability to the Client for any cause whatsoever, and regardless of the form of action, shall be limited to the total fees paid to the Service Provider under this Agreement. In no event shall the Service Provider be liable for any indirect, incidental, or consequential damages.

Terms defining responsibilities, limitations, and contract termination conditions.
