

[Transition to a happy dog playing outside]

Narrator:

"High-quality dog food provides essential nutrients that help prevent health issues like obesity and allergies."

[Show close-up of dog food ingredients on the package]

Narrator:

"Look for real meat as the first ingredient and avoid fillers like corn and soy. Quality ingredients matter!"

[Cut to a puppy, adult dog, and senior dog]

Narrator:

"Remember, nutritional needs change with age. Make sure to choose age-appropriate food for your pup!"

[Transition to a vet speaking with a dog owner]

Narrator:

↓
"And if you're unsure, always consult your vet for tailored advice on your dog's diet!"
