

Which did you pick? Hopefully Raffle Fastlane because its rewards far exceed the incremental risk of Raffle Slowlane. Raffle Sidewalk is a wasted long shot. Your choice of financial roadmaps—Sidewalk, Slowlane, or Fastlane—is like this hypothetical raffle. Once you understand the roadmaps and their respective wealth equations, you can choose the one that will serve as your compass.

### WHAT IS THE FASTLANE?

The Fastlane is a business and lifestyle strategy characterized by Controllable Unlimited Leverage (CUL), hence creating an optimal environment for rapid wealth creation and extraordinary lifestyles. Definitely, pay attention to these four segments:

#### 1) Controllable Unlimited Leverage (CUL)

Whereas the Slowlane is defined by uncontrollable variables with no leverage, the Fastlane exploits the opposite conditions: maximum control and leverage.

#### 2) Business

Your own business, self-employment, and entrepreneurship are centrist to the Fastlane, much like a job is to the Slowlane.

#### 3) Lifestyle

The Fastlane is a lifestyle choice: a commitment of blended beliefs, processes, and actions.

#### 4) Rapid Wealth Creation

The Fastlane is about creating large sums of wealth rapidly and beyond the confines of “middle class.”

Here is a story that best describes the Fastlane, and yes, this story is inspired from a real story posted on the Internet.

*After four long years, I sold my company for \$32 million [RAPID WEALTH CREATION] and I wouldn't change a thing. I'm happy I sold because I wanted to make money fast and transform paper money into real money. This decision changed my life permanently.*

*Now, I do whatever I want and I'm not the least bit bored. The world is my playground; I travel, I learned two new languages and how to play piano. I play water sports, hike, and snowboard at least a month a year. I own three homes, I watch pro sports and my favorite teams whenever I choose, watch 3–4 movies a week, and read 1–2 books a week. Most of my time is spent*
