

CRACKING THE CODE

Decoding the Fastlane roadmap is as simple as joining the team that is custodian to the decryption key. The winning team is *Team Producer*. Reshape life's focus on producing, not consuming. When you reframe your thinking from majority thinking (consumer) to minority thinking (producer), you effectively switch teams and allegiances. Yes, *become a producer first and a consumer second*.

Applied, this means instead of buying products on TV, sell products. Instead of digging for gold, sell shovels. Instead of taking a class, offer a class. Instead of borrowing money, lend it. Instead of taking a job, hire for jobs. Instead of taking a mortgage, hold a mortgage. Break free from consumption, switch sides, and reorient to the world as producer.

I know; it's not easy. However, once you see the world from a producer perspective, your perception sharpens like a fine-tuned radio frequency, from static to clear stereo sound. Suddenly, opportunities have clarity, ideas surface, and scams are exposed. This new minority status is critical to strengthening your wealth-creation temperament. Remember, the rich are a minority, and you want to be in that minority. It starts with a producer mindset.

PRODUCER REORIENTATION

When you encounter an advertising message that coaxes you to buy something, examine it from the producer perspective. How does this company make money? What is the aim of its message? What kind of business processes are involved in offering this product or service? Is this company making a profit? What is the revenue model? Is this product manufactured overseas or locally?

I've never bought a product on late night television, because I'm on the same team. As a producer, I see the infomercials for what they are: producers (the minority) serving the consumer (the majority). The "act nows," the "but wait, there's more!" the "free bonuses"—these are marketing weapons in a producer's arsenal. I watch infomercials not to buy, but to see what the pros are doing.

As producers, our job is to entice consumers to buy. As a producer locked into a producer mindset, I attract wealth because *consumers seek producers*. Consumers are the majority who demand their fill!

TO CONSUME RICHLY, PRODUCE EFFECTIVELY

And the irony of this producer/consumer dichotomy? Once you succeed as a producer, you can consume anything you want with little consequence because you'll be rich.

To consume richly, *produce richly first*. Unfortunately, most people have it backward: consumption and no production. Producers get rich. Consumers get
