

How the Rich Really Get Rich

*Only those who will risk going too far
can possibly find out how far one can go.*

~ TS ELIOT

THE BURNING QUESTION: “HOW DID YOU GET RICH?”

Drive any car that costs more than most people’s homes and strangers will accost you with the question, “What do you do for a living?” This seemingly innocuous question “fronts” for the real question burning inside . . . “How did you get rich?” People want to know the road I’ve taken so they can assess their likelihood to travel that same road. When I prompt for a guess, the answers are typical: Athlete. Actor. A spoiled brat indulged by rich parents. A lottery winner. These speculative “answers” unmask the reality behind people’s perceptions: To get rich you have to get famous, inherit money, or win money. That’s what I thought, until I met that stranger in his Lamborghini so many years ago.

THE FASTLANE WEALTH EQUATION

Living wealthy in youthful exuberance has to shatter the myth of “Get Rich Quick.” If you’re 30 years old and worth millions, and you aren’t famous or rich via inheritance, you dirty all fabrics of normality. We can’t have that, now can we? Once again, the secret is unmasked in the universal language of mathematics. The secret is to divorce yourself from the ugly and obese Slowlane equation (ULL) and trade up to the smoking hot blonde—the Fastlane equation (CUL).

Underneath this equation lies the true power of the Fastlane and how to build wealth fast. Its variables are controllable and unlimited. If you can control the
