

the lives of many in scale or magnitude, directly or indirectly. To Woodward and Bernstein, Deep Throat said, “Follow the money,” and when you do, you find the only one true law of wealth, and that is Effectation. Why? Because Effectation is rooted in mathematics, and because of this it operates exclusive of any roadmap.

A Slowlaner can use the Law of Effectation to escape Slowlane confinement. Pro athletes, actors, and entertainers—intrinsic value explosions happen because of the effectation: Society suddenly perceives your value to be meteoric. Yes, these people are still trading their time for money, but in an unprecedented stratum of value.

For example, over the last decade, Bill Clinton earned more than \$50 million in public speaking fees. While speaking is a direct trade of time for money, his intrinsic value is legendary, perhaps more than \$100,000 per hour. Underneath the big fee is the Law of Effectation. *He speaks to millions and is paid millions.*

A rapper sells millions of songs and is paid millions. A housewife sells a million kitchen gadgets and earns millions. A lottery winner wins millions because millions entered the drawing. Daddy Warbuck’s son inherits millions because Warbucks Company served millions. A plastic surgeon earns millions because he serves many in magnitude. A star athlete’s agent earns millions because his clients serve millions. *Retrace the source of millionaire money and you will find millions of something.*

Effectation of scale or magnitude always precedes money, either directly or indirectly. The more lives you impact, directly or indirectly, the more wealth you will attract.

BIG WEALTH FOLLOWS BIG NUMBERS

Athletes are a perfect example of Effectation. If you play professional baseball, you’re paid a meteoric intrinsic value. In 2009 Alex Rodriguez signed a \$240 million contract. How exactly is that justified? Simple. The Law of Effectation justifies all wealth. Alex Rodriguez, via baseball, entertains millions. He leverages SCALE. This is the same for any professional athlete. They get paid millions because they entertain millions. A comedian who makes millions laugh gets paid millions. The corporate executive who facilitates a corporation that services millions gets paid millions.

Again, these are glorified power intrinsic-value positions that leverage the Law of Effectation. If you want to get rich via intrinsic value, you must do it via the Law of Effectation. Get into a position to impact millions. Become indispensable and irreplaceable like an athlete, entertainer, or a top-brass executive.

Can’t get access to millions like an athlete? Then go directly to the source and serve the source. For example, agents of high-profile athletes are as rich as the athletes themselves because they have indirect contact to the Law of Effectation. Real estate brokers who specialize in the homes of the rich become rich themselves because they indirectly connect themselves to arbiters of the Law. The
