If you want extraordinary results, you're going to need extraordinary thinking. Unfortunately, "extraordinary" is not found trapped in society's gravity of thinking and the beliefs that fuel them.

STEERING TIPS: BETTER CHOICES AND A BETTER LIFE

As your journey progresses, respect yourself and ask, is this a good choice of perception? A good choice of action? Is this going to be treasonous to my dreams and cloud my windshield to a better life? Have I chosen to be a victim or a victor? Have I chosen to surrender or accept the challenge?

Changing your life starts with changing choices. The Fastlane vehicle to wealth is driven on choice, not asphalt. You start making better choices using two strategies dependent on the decision's gravity.

1) Worse Case Consequence Analysis (WCCA)

2) Weighted Average Decision Matrix (WADM)

WCCA is designed to steer you away from perilous detours and treasonous choices. Conversely, WADM is designed to help you make better big decisions with multiple contingencies. This dual-pronged attack works on the choice extremes: a prevention of disastrous choices and a facilitator of good choices.

WORSE CASE CONSEQUENCE ANALYSIS (WCCA)

The first decision tool is Worst Case Consequence Analysis (WCCA), which requires you to become forward-thinking and an analyzer of potential consequences. WCCA asks you to answer three questions about every decision of consequence:

- 1) What is the worst-case consequence of this choice?
- 2) What is the probability of this outcome?
- 3) Is this an acceptable risk?

While these three questions might seem lengthy, your analysis process shouldn't take longer than a few seconds. You don't need a pen or paper, just your head and a conscious choice of perception. When choices are analyzed using WCCA, potential disasters are exposed and alternatives can be chosen. Unnecessary roads of treason can be bypassed.

I use WCCA extensively. For example, several years ago, after several drinks at a local bar, I went home with a woman who was making the moves and wanted to get busy. She pulled the old Harlequin whisper, "Make love to me." Of course, having known her for all of two hours, I knew this wasn't love but something else.
