

Hit the Redline

*If things seem under control,
you are just not going fast enough.*

~ MARIO ANDRETTI

FASTLANE WINNERS ARE FORGED AT THE REDLINE

Winners are forged at the Redline. What's the Redline? The Redline is pure, unadulterated *commitment*.

Money trees, businesses, and systems aren't built overnight. It took Chuma years to construct his pyramid machine. Commitment is money-tree water, sun, fertilizer, and cultivation. I know commitment is a word likely to cause a riotous exodus. If you think Fastlane process is easy, stop now and go back to the Slowlane, which isn't easy either!

Remember, "Get Rich Easy" is a lure with a hook. The creation of a vibrant business is like raising a child from birth to adulthood. Like a parent has to commit to their children, you must commit to your system and your business. It is at the Redline where the limits of a car are tested, and that is where your limits will be tested.

ARE YOU INTERESTED OR COMMITTED?

Too many people saunter through life coasting in first gear and then wonder, how did I get here? Who doesn't want to worry about money? Unfortunately, it doesn't take any effort to be "interested" in wealth and financial security. Interest is kindergarten; it isn't enough, and those who have "interest" live in first gear.

To get out of first gear, you must make a concerted effort and a lineage of good choices to exploit the power of the Fastlane. There's a profound difference between interest and commitment.
