

THE ROAD TO EFFECTION: THE FIVE FASTLANE COMMANDMENTS

The Law of Effection says to make millions you must impact millions. How can you impact millions? In the Slowlane you explode intrinsic value, become enormously indispensable, and earn millions. In the Fastlane, you engineer a business that touches millions of lives in scale, or many lives of magnitude. If your road doesn't lead through Effection's neighborhood or have an off-ramp onto it, sorry, you're on the wrong road.

The power of the Fastlane wealth equation is ignited by a business that drives to the Law of Effection. Business opportunities are plentiful, and unfortunately most of them aren't Fastlane roads. If you're stuck in a retail store selling \$10 haircuts, can you reasonably expect to serve millions? To make millions, you must serve millions. A kick-butt attitude is negated if your road is directionally challenged toward Effection, because Effection is the gatekeeper to wealth.

To light the Law of Effection and illuminate your Fastlane road, cross-examine it against the Five Fastlane Commandments (NECST, pronounced "next").

- 1) The Commandment of Need**
- 2) The Commandment of Entry**
- 3) The Commandment of Control**
- 4) The Commandment of Scale**
- 5) The Commandment of Time**

NECST is a Fastlane litmus test and validates your road. Does your road (or potential road) route to wealth? Is it Fastlane? Can it be made Fastlane? Can it hit Effection? Can your road route to a multimillion-dollar enterprise, generate passive income, and end at a final liquidation event?

A road meeting all five commandments can make you filthy rich fast. As violations accrue, the road degrades in its wealth potential, and with it, your ability to get near Effection also degrades. While it's possible to violate one or more commandments and still create wealth quickly, you should aim for a road that satisfies all five commandments. Potent roads are potent wealth creators. Sadly, most business opportunities fail the commandments, and, if they fail, they don't deserve your respect or attention.

CHAPTER SUMMARY: FASTLANE DISTINCTIONS

- Not all businesses are the right road. Few roads move at, through, or near the Law of Effection.
- The best roads and the purest Fastlanes satisfy the Five Fastlane Commandments: Need, Entry, Control, Scale, and Time.
