

The Commandment of Scale

*In business, to be a success
you only have to be right once.*

~ MARK CUBAN

SPEED LIMIT—15 OR 150?

When your business road violates the Commandment of Scale, wealth acceleration is incarcerated within constricting speed limits. Drive any road with a speed limit of 15 and you aren't going to get anywhere fast. Scale is about leverage and leverage is what gives the Fastlane wealth equation its power.

N - E - C - (SCALE) - T

Business leverage is like a playing field, or a habitat of water. You can choose to inhabit the ocean or a pool at the local park. There are six business habitats:

- Local/community (pool)
- County/city (pond)
- Statewide (lagoon)
- Regional (lake)
- National (sea)
- Worldwide (ocean)

Scale is difficult to find locally or in a pool that fits only a small number of people. Sure, it can be done, but it requires magnitude, and magnitude doesn't
